1. Welcome & Introduction

Welcome to Unity Towers Property Association Management System! This application helps you stay connected with your property association, view your unit information, track charges and payments, access important documents, and stay informed about association activities.

What You Can Do as an Owner:

- View your assigned unit(s) and property details
- Track your charges, payments, and account balance
- View the association's financial overview
- Access and download HOA documents
- Review activity logs and association updates
- Update your contact information

■ Tip: As an owner, you have read-only access to most features. For any changes to unit assignments or financial records, please contact your HOA Administrator.

2. Getting Started

Creating Your Account

If you don't have an account yet, you can register through the app:

1. Open the Unity Towers app or visit the web portal
2. Click on 'Sign Up' at the bottom of the login screen
3. Enter your Full Name, Email Address, Phone Number, and create a Password
4. Click 'Create Account'
5. Your account will be created with 'Owner' role

Logging In

1. Open the Unity Towers app
2. Enter your registered Email Address
3. Enter your Password
4. Tap 'Sign In'
5. You'll be directed to your Dashboard

■ If you forget your password, contact your HOA Administrator for a password reset.

3. Dashboard Overview

The Dashboard is your home screen, providing a quick overview of the property association's financial status and key metrics.

Dashboard Metrics:

- Total Units: Number of units in the property
- Condos: Number of condominium units
- Shops: Number of commercial shop units
- Total Outstanding: Total amount pending across all units
- Overdue: Number of accounts with overdue payments
- Reserve Balance: Association's reserve fund balance
- Total Collected: Total payments received
- Payments This Year: Payments received in current year
- Expenses This Year: Total expenses for current year

Recent Activity:

The dashboard also shows recent payment activity, helping you stay informed about association finances.

4. Viewing Your Units

The Units tab displays all property units. As an owner, you can view unit information but cannot make changes.

Unit Information:

- Unit Name/Number (e.g., C1, S1)
- Unit Type (Condo or Shop)
- Current Balance
- Assigned Owner (if any)

Understanding Balances:

- Positive Balance: Amount owed to the association
- Negative Balance (Credit): Overpayment or credit on account

5. Billing & Payments

The Billing tab shows the association's allocation formula, annual charges, and payment records.

Annual Allocation Formula:

Unity Towers uses a specific formula to calculate annual maintenance charges:

- Condo: W/5 + 0.40×E/5 + 0.60×E/8
- Shop: 0.60×E/8

Where W = Water charges, E = Electricity charges

Viewing Your Charges:

You can see annual setup information including water and electricity totals, and how charges are calculated for each unit type.

Payment Methods:

To make payments, please contact your HOA Administrator or use the designated payment channels provided by your association.

6. Activity Log

The Activity tab provides a complete audit trail of all association activities and changes.

What's Logged:

- Payment recordings
- Charge postings
- Unit assignments
- Document uploads
- Profile updates
- All financial changes with old/new values

Filtering Activities:

Use the date filters to view activities within a specific time range. This helps you track changes and maintain transparency.

7. Documents

The Documents tab provides access to all HOA documents organized in folders.

Document Categories:

- HOA Legal & Governance - Bylaws, rules, regulations
- Financial Records - Budgets, statements, audits
- Utility Bills - Water and electricity records
- Meeting Minutes - Board meeting records
- Maintenance & Vendor Records - Service contracts
- HOA Communications - Newsletters, notices
- Disputes & Violations - Resolution records

Browsing & Downloading:

1. Tap on a folder to open it
2. Navigate through subfolders using breadcrumbs
3. Tap on a file to view its details
4. Click 'Download' to save the file
5. Use the search bar to find specific documents

8. Profile Management

The Profile tab allows you to view and update your personal information.

Updating Your Information:

1. Go to the Profile tab
2. Tap 'Edit Profile'
3. Update your Name, Phone, or Email
4. Tap 'Save Changes'

Logging Out:

Tap the 'Logout' button at the bottom of the Profile screen. Confirm when prompted.

9. FAQ & Support

Q: How do I make a payment?

A: Contact your HOA Administrator for payment instructions. The app displays your balance but payments are processed externally.

Q: Why can't I edit unit information?

A: As an owner, you have read-only access. Contact your Administrator for any changes.

Q: How do I get assigned to my unit?

A: Your HOA Administrator will assign you to your unit. Contact them with your ownership details.

Q: Can I upload documents?

A: Document uploads are restricted to Administrators. Contact them if you need to submit documents.

Q: Who do I contact for support?

A: Reach out to your HOA Administrator for any questions or issues.

Thank you for using Unity Towers HOA Management System!
